La revolucion de la esperanza/ Revolution of Hope: The Life, Faith, and Dreams of a Mexican President (Spanish Edition) By Vicente Fox

The charismatic former president of Mexico offers a clear and candid perspective on the state of world affairs and outlines a new vision of hope for the future of the Americas. In 2000 Fox broke the dictatorial one-party rule that strangled Mexico for over 70 years. For the first time, Fox reveals the ups and downs of his close but rocky relationships with world leaders. La revolucion de la esperanza is a story of triumph and a political vision for the future.

Description in Spanish: Por primera vez en la historia de Mexico, un ex presidente decide permanecer en la luz publica despues de su mandato y revelar sin censura sus experiencias como jefe de Estado. En este libro que convulsionara a sus lectores, Vicente Fox describe el camino que lo llevo a la silla presidencial, la historia de su familia, la raiz y fundamento de los valores que motivan sus acciones; y la nutrida gama de hechos que dieron lugar a su conversion de hombre de negocios a hombre de estado. Fox, presidente electo del ano 2000 considerado por muchos el estandarte de la naciente democracia mexicana , empresario de la iniciativa privada y sui generis estadista, narra con voz autentica, inundada de conviccion y emotividad, y no carente del desparpajo que lo caracteriza, sus vivencias en los Pinos, su relacion con Marta Sahagun, la primera visita del que fuera su homologo en la Casa Blanca; su encuentro con el gobernador Schwarzenegger, los detalles de su relacion politica con Andres Manuel Lopez Obrador, su confrontacion con Hugo Chavez y Fidel Castro, y tantos otros episodios que hoy, para malestar de sus detractores y complacencia de sus simpatizantes, forman parte de la historia de Mexico.
