Murrow's Cold War: Public Diplomacy for the Kennedy Administration By Gregory M Tomlin

In March 1961 America's most prominent journalist, Edward R. Murrow, ended a quarter-century career with the Columbia Broadcasting System to join the administration of John F. Kennedy as director of the United States Information Agency (USIA). Charged with promoting a positive image abroad, the agency sponsored overseas research programs, produced documentaries, and operated the Voice of America to spread the country's influence throughout the world. As director of the USIA, Murrow hired African Americans for top spots in the agency and leveraged his celebrity status at home to challenge all Americans to correct the scourge of domestic racism that discouraged developing countries, viewed as strategic assets, from aligning with the West.

Using both overt and covert propaganda programs, Murrow forged a positive public image for Kennedy administration policies in an unsettled era that included the rise of the Berlin Wall, the Cuban Missile Crisis, and support for Vietnam's Ngo Dinh Diem. *Murrow's Cold War* tackles an understudied portion of Murrow's life, reveals how one of America's most revered journalists improved the global perception of the United States, and exposes the importance of public diplomacy in the advancement of U.S. foreign policy.

Editorial Review

Review

"For readers who admire Murrow for his reporting from Britain during the Blitz of World War II, for his stand against McCarthyism, or for his overall journalistic work, Tomlin's book adds a dimension to an often underrated part of Murrow's career."—Philip Seib, *American Historical Review*
(Philip Seib *American Historical Review*)

"Up to this point, we have had Murrow the legendary journalist. Now, with Gregory Tomlin's new and important work, we also have Murrow the reluctant Cold War bureaucrat. The contrast is bracing. Tomlin has added valuable insights into one of the founders of broadcast journalism, and his book is both fun and informative."—Marvin Kalb, Edward R. Murrow Professor of Practice, Emeritus, at Harvard Kennedy School and one of Murrow's former colleagues at CBS

(Marvin Kalb 2015-09-14)

"Working with insight and a hawk eye for archival detail, Gregory Tomlin has written a first-class account of one of the central figures in the evolution of U.S. public diplomacy: Edward R. Murrow. At a time when the United States government is once again pondering the best way to engage global opinion, it is invaluable to be able to look back on the virtues (and a few vices) of the approach taken fifty years ago by the legendary broadcast journalist in the service of a remarkable administration."—Nicholas J. Cull, author of *The Cold War and the United States Information Agency: American Propaganda and Public Diplomacy, 1945–1989*
(Nicholas J. Cull 2015-09-14)

About the Author

Gregory M. Tomlin was as an assistant professor of history at the United States Military Academy at West Point. A career army officer, he has served in Germany, Korea, Kosovo, and Iraq, as well as at the White House as a military social aide for the Obama administration. Tomlin is the coauthor of *The Gods of Diyala: Transfer of Command in Iraq*.
