### Editorial Review

From School Library Journal

Gr 8 Up—Set in a time in which women were at the mercy of the arrangements made for them by their families, this story of the romantic courtship of Darcy and Elizabeth will resonate with readers. Though this adaptation conveys the language of the time and the story is true to form, the artwork lacks a certain appeal. There are some instances where characters are indiscernible and lack definition. However, the flow of the story is easy to follow, making it a good resource for students who find Austen difficult to decipher. Pairing this version with Nancy Butler's *Pride & Prejudice* (Marvel, 2009) would make a great lesson on comparing and contrasting revisions and adaptations. Students interested in Austen may read this title of their own accord, but others will need to be led to it.—Mariela Siegert, Westfield Middle School, Bloomington, IL

Review

"I **highly recommend** Campfire's comics. They do what they are intended to do and do it in a way that excites kids about classic literature."

— **Chris Wilson**, *The Graphic Classroom* (a resource for teachers and librarians)

About the Author

Jane Austen was born in the small village of Steventon in Hampshire on 16th December 1775. She was the seventh of eight children and throughout her life was especially close to her only sister, Cassandra. Jane never married and only once, very briefly, was engaged. In 1814, giving advice to a niece, and echoing Jane Bennet in *Pride and Prejudice*, she wrote, "Anything is to be preferred or endured rather than marrying without affection." She was 36 before her first novel was published and during her lifetime she made little more than £700 from her writing. Her novels, however, have proved enduringly popular, and since 1833 have never been out of print. Jane became ill in 1816 and died in the arms of her sister on 18th July 1817. She was 41 years old. Cassandra wrote, "I have lost such a sister, such a friend as can never have been surpassed... She was the sun of my life." Four of Jane's novels were published during her lifetime: *Sense and Sensibility* (1811), *Pride and Prejudice* (1813), *Mansfield Park* (1814) and *Emma* (1816). *Northanger Abbey* and *Persuasion* were published posthumously in 1818.
