Editorial Review

Amazon.com Review

Jay Berry Lee is happy until the summer he is 14 years old and discovers monkeys living in the creek bottoms near his parents' homestead. Set in the late 1800s, *Summer of the Monkeys* traces the boy's adventures as he attempts to capture 29 monkeys that have (it turns out) escaped from the circus. With somewhat dubious help from his grandfather, and over the objections of his mother, Jay goes about discovering that monkeys are much smarter and harder to catch than he thought possible. Woven into this story is a second theme about his physically disabled sister and the family's attempts to find money for an operation. As funny and touching as Wilson Rawls's *Where the Red Fern Grows*, this book will appeal to the young reader who has always wished for the freedom to run wild through the woods with nothing more pressing to do than find another rabbit hole--or escaped monkey. (Ages 12 and older) --Richard Farr

Users Review

From reader reviews:

Mario Rice:

With other case, little people like to read book Summer of the Monkeys. You can choose the best book if you like reading a book. Providing we know about how is important any book Summer of the Monkeys. You can add understanding and of course you can around the world by way of a book. Absolutely right, because from book you can learn everything! From your country until finally foreign or abroad you may be known. About simple factor until wonderful thing you can know that. In this era, you can open a book or even searching by internet system. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's study.

Christine Pena:

This Summer of the Monkeys is great reserve for you because the content and that is full of information for you who else always deal with world and have to make decision every minute. This book reveal it information accurately using great manage word or we can state no rambling sentences in it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having Summer of the Monkeys in your hand like keeping the world in your arm, details in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen minute right but this publication already do that. So , it is good reading book. Hi Mr. and Mrs. occupied do you still doubt which?

Bernice Martinez:

Reading a book to become new life style in this 12 months; every people loves to go through a book. When you go through a book you can get a lot of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, as well as soon. The Summer of the Monkeys will give you a new experience in reading a book.

Dolores Rawson:

Reserve is one of source of understanding. We can add our know-how from it. Not only for students but also native or citizen will need book to know the update information of year in order to year. As we know those textbooks have many advantages. Beside most of us add our knowledge, could also bring us to around the world. By the book Summer of the Monkeys we can get more advantage. Don't you to be creative people? To be creative person must want to read a book. Just choose the best book that appropriate with your aim. Don't possibly be doubt to change your life with that book Summer of the Monkeys. You can more desirable than now.
