Triss: A Tale From Redwall By Brian Jacques

All her life, Triss the squirrelmaid has suffered the tyranny of the evil ferret king King Agarnu and his daughter, Princess Kurda. But with the help of her fellow slaves, Shogg the otter and Welfo the hedgehog, Triss plans and executes a daring escape by sea. Meanwhile, in Mossflower forest, a new mystery has arisen: a pair of wandering Dibbuns has accidentally discovered what may be the long-lost secret entrance to Brockhall-original home of the warrior badgers. The threads of the story eventually come together when Triss happens upon Redwall in her flight and takes up the famous sword of Martin. The rest is Redwall history.

Editorial Review

Amazon.com Review

Wot, Wot?! Could it be another epic Redwall tale (tail?) thick with high adventure, heavy accents, and leek-and-turnip pasty from the beloved beast master himself, Brian Jacques? It is indeed, happy readers. *Triss*, the 15th book in the distinguished and wildly popular animal fantasy series, chronicles the exploits of a brave squirrel maid who travels from the bonds of slavery to the meeting of her destiny as a warrior at Redwall Abbey. Triss the squirrel, Shogg the otter, and Welfo the hedgehog, all slaves to the bloodthirsty royal ferret family of Riftgard, filch a ferret boat and sail away from the murderous clutches of Princess Kurda and her malevolent father, King Agarnu. Swearing revenge, Kurda sets out to recapture her slaves, her evil Ratguard troops reinforced by the pirate fox Plugg Firetail and his band of criminal Freebooters. At the same time, the badger Sagaxus and his bosom friend Bescarum the hare also set sail from Salamanstrom, to seek adventure on the high seas. Meanwhile, back at the abbey, the Redwall inhabitants are being plagued by a mystery that involves a hidden door, a secret code, and three stinking, sinister snake siblings that are picking off the gentle forest folk one by one. Any ardent fan of Redwall knows that what comes next will include sword fights, feasting, raucous good humor, and a thrilling climax. Jacques's fervent followers are rewarded with the author's usual swashbuckling good storytelling, while the newly initiated will read with wide eyes, and quickly go back to hungrily devour the rest of the series. (Ages 10 and older) --*Jennifer Hubert*

From Publishers Weekly

Brian Jacques weighs in with *Triss*, the 15th title in his Redwall series. Here, the enslaved squirrelmaid escapes by sea and a Dibbun duo discovers Brockhall's secret entrance. David Elliot's b&w illustrations introduce each chapter. Ages 10-up.

From School Library Journal

Grade 5 Up—Once again, Jacques has created a wonderfully imaginative and beautifully realized universe, filled to the brim with amazing and amusing characters. Triss the squirrelmaid (spiritual heiress to Martin the Warrior) escapes slavery, chased by the evil princess Kurda and her band of hired Freebooters. At the same time, two young rips named Scarum and Sagax head off to sea with their friend Kroova the otter, looking for adventure (and finding rather more than they bargain for). Meanwhile, there is something very scary lurking in the woods around Redwall Abbey. Almost every character speaks in elaborate dialect and there are several independent stories that converge at the end, requiring readers' concentration. There are also a few fairly graphic (though not gratuitous) scenes of violence. While this 15th book in the series is perhaps not the best place to start, even readers unfamiliar with the earlier titles will never feel lost, for there are plenty of references to earlier books.
