## Antibiotic Essentials 2015 By Burke A., M.d. Cunha

This is the latest edition of Antibiotic Essentials, a pocket guide to antimicrobial therapy and infectious diseases, updated annually. Not simply a collection of guidelines, but a practical and authoritative guide, written by expert clinicians for practising clinicians, presented in a user friendly format. Antibiotic Essentials provides an overview of antimicrobial therapy, followed by guidance on therapy for over 550 clinical syndromes, including cardiovascular infections, sexually transmitted diseases, sepsis, and transplant infections. Subsequent chapters cover antibiotic susceptibility profiles, parasites, fungi and other organisms, HIV infections and prophylaxis. A separate chapter covers infectious diseases and antimicrobial agents in paediatrics. A chest x-ray atlas and a list of antibiotic pearls and pitfalls are also provided. This new edition encompasses over 170 antimicrobial drug summaries in its concluding chapter, including six recently approved antimicrobials, new to this edition. Each antimicrobial drug summary includes pharmacokinetic data, antibiotic resistance potential, adverse effects, drug interactions, and dosing recommendations. Antibiotic Essentials is edited by Burke A Cunha MD MACP, Chief, Infectious Disease Division, Winthrop University Hospital, Mineola, New York, and Professor of Medicine, State University of New York School of Medicine, one of the world's leading experts on antimicrobial therapy and infectious diseases. Key Points \* New edition of annual publication Antibiotic Essentials \* Fully updated to provide latest therapeutic recommendations \* Antibiotic Essentials is a user friendly, practical, pocket guide, written by experienced clinicians, for practising clinicians \* Previous edition (9789351523468) published 2014

### **Editorial Review**

#### **About the Author**

Burke A. Cunha MD, MACP Chief, Infectious Disease Division, Winthrop-University Hospital, Mineola, New York, Professor of Medicine, State University of New York School of Medicine, Stony Brook, New York

### **Users Review**

#### **From reader reviews:**

##### **William Gannaway:**

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each e-book has different aim or perhaps goal; it means that book has different type. Some people feel enjoy to spend their time and energy to read a book. These are reading whatever they get because their hobby is usually reading a book. Why not the person who don't like studying a book? Sometime, person feel need book when they found difficult problem or even exercise. Well, probably you will need this Antibiotic Essentials 2015.

##### **Marilyn Vance:**

Reading a guide tends to be new life style within this era globalization. With reading you can get a lot of information which will give you benefit in your life. With book everyone in this world could share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story as well as their experience. Not only situation that share in the publications. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some research before they write on their book. One of them is this Antibiotic Essentials 2015.

##### **Mary Bradford:**

People live in this new morning of lifestyle always try and and must have the extra time or they will get lots of stress from both everyday life and work. So , if we ask do people have time, we will say absolutely yes. People is human not just a robot. Then we request again, what kind of activity have you got when the spare time coming to anyone of course your answer can unlimited right. Then do you try this one, reading books. It can be your alternative inside spending your spare time, often the book you have read will be Antibiotic Essentials 2015.

**Bernice Cofield:**

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you might have done when you have spare time, in that case why you don't try point that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Antibiotic Essentials 2015, you may enjoy both. It is excellent combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't have it, oh come on its referred to as reading friends.
