Editorial Review

Review

"As a piano teacher I can assure the reader that the Ferrante's book ["Little Piano Book"] works well with students of all ages. The video lessons are particularly helpful for the visual learners. The book uses clear and logical layout, teaching the beginning student to learn the piano keys and basics of musical notes and rhythms."

"In the array of good piano books available to the beginning student, this book makes an important contribution and is worthy of diligent consideration." Dr. James Hart

The Baltimore Sun calls Ferrante's music "focused and colorful...with an unexpected, decidedly poetic touch" and "ebullient and full of shifts of direction."

"Damon is a musical storyteller. He has a narrative gene that allows him to write music like a novelist." Daniel Mark Epstein, award-winning music writer
