**Opium: The Diary of His Cure** By Jean Cocteau

**From one of France's greatest literary artists comes this thrilling nonfiction account of drug addiction and the cure**

Perhaps Jean Cocteau's most celebrated piece of nonfiction, this a truly gripping account of his drug addiction and cure, more than worthy of comparison with De Quincey's *Confessions of an Opium Eater*. The masterly illustrations also contained in this handsome volume, combined with his vivid, luxuriant prose can give no finer rendering of the agonies—and ecstasies—of addiction.
