Editorial Review

About the Author

Salma Samar Damluji, AA. Dipl. Ph.D. (RCA) is an architect and specialist in Islamic and vernacular architecture of Arab countries. After completing her studies at the Architectural Association School of Architecture in London, she attended the Royal College of Art where she received her doctorate. Dr Damluji lectured in the Middle East from 1977 to 1982. She has been teaching in London since 1987 - at the Royal College of Art where she was a Research Fellow between 1987 and 1989 and a Tutor from 1990 to 1993, and at the Architectural Association School of Architecture where she is still a Senior Tutor in the Graduate School. From 1994 to 1996 she was the Academic Coordinator of the Royal College of Arts' Asilah Studios in Morocco. Her previous publications include *Zil?j: The Art of Moroccan Ceramics* ed (Garnet Publishing, 1992), *The Valley of Mud Brick Architecture* (Garnet Publishing, 1992) and *A Yemen Reality* (Garnet Publishing, 1991). She has also curated exhibitions to accompany publications of her books, 'Morocco Zill?j' RCA, 1992; 'Cities on the Edge', RIBA, 1997 and 'The Architecture of Oman', 1998.

Users Review

From reader reviews:

Frank Hall:

Here thing why that The Architecture of Oman are different and reputable to be yours. First of all reading a book is good but it depends in the content of it which is the content is as delightful as food or not. The Architecture of Oman giving you information deeper including different ways, you can find any reserve out there but there is no reserve that similar with The Architecture of Oman. It gives you thrill studying journey, its open up your own eyes about the thing in which happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in park, café, or even in your technique home by train. Should you be having difficulties in bringing the branded book maybe the form of The Architecture of Oman in e-book can be your substitute.

Eric Langley:

Do you among people who can't read satisfying if the sentence chained within the straightway, hold on guys this particular aren't like that. This The Architecture of Oman book is readable by means of you who hate those straight word style. You will find the info here are arrange for enjoyable reading experience without leaving also decrease the knowledge that want to offer to you. The writer of The Architecture of Oman content conveys the idea easily to understand by a lot of people. The printed and e-book are not different in the information but it just different by means of it. So , do you even now thinking The Architecture of Oman is not loveable to be your top listing reading book?

Albert Gilchrist:

Is it a person who having spare time in that case spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This The Architecture of Oman can be the reply, oh

how comes? A book you know. You are thus out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these books have than the others?

John Lyons:

In this era which is the greater person or who has ability in doing something more are more precious than other. Do you want to become considered one of it? It is just simple approach to have that. What you need to do is just spending your time not very much but quite enough to get a look at some books. On the list of books in the top checklist in your reading list is The Architecture of Oman. This book which can be qualified as The Hungry Hillsides can get you closer in growing to be precious person. By looking upwards and review this reserve you can get many advantages.
