The Lost Years of Merlin By T. A. Barron

Washed up on the shores of ancient Wales, the boy had no home, no memory and no name... he was determined to find all three.

This best-selling series follows the adventures and training of young Merlin on the mist-shrouded isle of Fincayra, an enchanted land between earth and sky that is being destroyed by blight. With this land's inhabitants to guide him, the boy will learn that Fincayra's fate and his own quest are strangely intertwined.

He is destined to become the greatest wizard of all time--known to all as Merlin.

"Fans who have followed young Merlin through his many adventures will still enjoy trekking with him." (*The Horn Book*)

Editorial Review

From Publishers Weekly

"Readers may find this attempt to create a biography for Merlin less of an organic novel than a showcase for the author's deft recycling of Welsh myth," said PW. Ages 9-12. (Oct.)

Copyright 1999 Reed Business Information, Inc.

From School Library Journal

Grade 5-8?This first installment in a planned trilogy about Merlin's shadowy youth takes some intriguing twists. Young Emrys washes up on a Welsh beach with a woman who claims to be his mother. For years, they share a hovel, but Branwen tells him nothing about his past. One day he discovers that he has some unusual powers; using them to kindle a fire in Branwen's defense, he is blinded by the flames. However, he learns to see without eyes?using his "second sight." Desperate to know about his past, Emrys, now 12, sets off on an ocean journey. He lands on Fincayra, where he plunges into a dangerous quest to rescue the island from the destructive blight caused by a pact between its king and an evil power. In the process, he befriends a young Fincayran girl and a dwarf who becomes a giant through a brave deed. Emrys also learns the truth about his origins. The Fincayran portion of the story is very much like Lloyd Alexander's "Prydain Chronicles": a young boy and girl team up with a cute non-human to save a kingdom from the force of evil, with Welsh-style names abounding. Also, while the characterization of the hero is excellent, the portrayal of some minor figures is fair at best. However, the fast-moving plot is sure to keep readers turning pages. The tale is compelling enough to ensure that they will anticipate the next book in the series to learn how the events ultimately tie in to the more familiar body of Arthurian legend.?Mary Jo Drungil, Niles Public Library District, IL

Gr. 7^-10. This is the first volume in a planned trilogy about Merlin's youth, an area generally ignored in traditional Merlin lore. Barron has certainly come up with an intriguing perspective of what he calls Merlin's lost years, as told by the future wizard himself. A boy, hurled on the rocks by the sea, regains consciousness unable to remember anything--not his parents, not his own name. He is sure that the secretive Branwen is not his mother, despite her claims, and that Emrys is not his real name. The two soon find themselves feared because of Branwen's healing abilities and Emrys' growing powers, and when they are attacked, Emrys strikes out, causing an inferno that blinds him when he plunges into the fire to rescue his antagonist.

Branwen and Emrys are taken in by nuns, and as Emrys despairs and heals, he discovers yet another talent--that of second sight--which enables him to embark on a quest to find his true name and heritage. His journey leads him back across the sea to the isle of Fincayra, a mysterious land "not of the Earth, nor of the Otherworld." There he joins forces with the forest girl Rhia and the heroic little giant Shim to battle the evil Rhita Gawr, whose blight is destroying the isle. Barron has created not only a magical land populated by remarkable beings but also a completely magical tale, filled with ancient Celtic and Druidic lore, that will enchant readers. *Sally Estes*

Users Review

From reader reviews:

Amber Weitz:

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite reserve and reading a e-book. Beside you can solve your long lasting problem; you can add your knowledge by the publication entitled The Lost Years of Merlin. Try to the actual book The Lost Years of Merlin as your buddy. It means that it can to get your friend when you sense alone and beside associated with course make you smarter than previously. Yeah, it is very fortuned for you personally. The book makes you far more confidence because you can know almost everything by the book. So , let me make new experience and also knowledge with this book.

Juan Moses:

This specific book exist new information the information that exist in this guide represented the condition of the world now. That is important to yo7u to know how the improvement of the world. This specific book will bring you throughout new era of the the positive effect. You can read the e-book with your smart phone, so you can read the idea anywhere you want.

Jesse Fox:

You will get this The Lost Years of Merlin by go to the bookstore or Mall. Only viewing or reviewing it might to be your solve problem if you get difficulties for ones knowledge. Kinds of this reserve are various. Not only by written or printed and also can you enjoy this book by means of e-book. In the modern era including now, you just looking from your mobile phone and searching what your problem. Right now, choose your personal ways to get more information about your publication. It is most important to arrange yourself to make your knowledge are still update. Let's try to choose proper ways for you.

Charlie Hartman:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just small students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Lost Years of Merlin can make you really feel more interested to read.
