### **The Resurrectionist** By Wrath James White

Dale McCarthy has a unique and miraculous ability. He can bring the dead back to life, though the resurrected have no memory of their deaths. But not every miracle comes from God, and not every healer is a saint. Ever since her new neighbor moved in, Sarah Lincoln has been having terrible nightmares. Last night she dreamed she and her husband were brutally murdered in their beds. This morning she found bloody sheets in the laundry and bloodstains on her mattress. And the nightmare is the same, night after night after night. With no one prepared to take her wild fears seriously, Sarah will have to save herself from being murdered. Again. The Resurrectionist has now been made into a major motion picture--- "Come Back To Me"
