### About the Author

**Stephen P. Olejniczak** (pronounced *O len \v\chek*) is the Director of Operations for ATI, and has worked over 16 years in telecommunications. His experience is concentrated on installation, service, billing and support of voice service. The past five years having focused his time on learning all facets of VoIP as the marketplace, technology, and supporting infrastructure has evolved. Stephen didn't start out in life as a techie, only falling prey to the glamour and easy money after failing to find a career enabling him to use his bachelor's degree in Cultural Anthropology. He currently lives in a picturesque beach town in California with his beautiful wife Kayley and a collection of fountain pens.
