A New History of India By Stanley Wolpert

After more than twenty-five years in print, *A New History of India* continues to be the most accessible and popular one-volume history of India available. Stanley Wolpert has condensed more than 4,000 years of India's history into a graceful and engaging text. He discusses modern India's rapidly growing population, industry, and economy, and also considers the prospects for India's future. Wolpert strives to record India's history fairly and truthfully, portraying the brightest achievements of Indian civilization as well as its persistent social inequities and its economic and political corruption. Now entirely redesigned, *A New History of India*, 7/e, includes photographs for the first time, a full-color map of India and the surrounding area, updated bibliographic material, and a revised final chapter reflecting the significant social, political, and economic issues that have arisen since the year 2000.

Editorial Review

Review

"A serious fact-based study that presents excellent detail with remarkable readability--the way history should be written, but rarely is."--Michael Rubin, Yale University

"An authoritative, comprehensive, and well-written undergraduate text on the entire scope of India's rich history. . . . Admirable in every respect."--Marshall E. Nunn, Glendale Community College

"Without a doubt, the best text for survey courses in the history of India."--David M. Laushey, Georgia State University

"This is the best introductory survey of Indian history that I know of."--John McLeod, University of Louisville

About the Author

Stanley Wolpert is at University of California, Los Angeles (Emeritus).

Users Review

From reader reviews:

Yadira Singh:

Do you among people who can't read pleasurable if the sentence chained inside straightway, hold on guys this aren't like that. This A New History of India book is readable by simply you who hate those perfect word style. You will find the details here are arrange for enjoyable examining experience without leaving also decrease the knowledge that want to provide to you. The writer involving A New History of India content conveys prospect easily to understand by lots of people. The printed and e-book are not different in the information but it just different such as it. So , do you nonetheless thinking A New History of India is not loveable to be your top checklist reading book?

William Ochoa:

The experience that you get from A New History of India is a more deep you excavating the information that hide inside the words the more you get interested in reading it. It does not mean that this book is hard to know but A New History of India giving you joy feeling of reading. The writer conveys their point in certain way that can be understood by anyone who read that because the author of this book is well-known enough. This specific book also makes your current vocabulary increase well. Making it easy to understand then can go to you, both in printed or e-book style are available. Candace Edwards:

People live in this new day of lifestyle always try and and must have the extra time or they will get wide range of stress from both lifestyle and work. So , whenever we ask do people have spare time, we will say absolutely sure. People is human not a robot. Then we request again, what kind of activity have you got when the spare time coming to an individual of course your answer will probably unlimited right. Then ever try this one, reading books. It can be your alternative in spending your spare time, typically the book you have read is actually A New History of India.

James Martin:

This A New History of India is great e-book for you because the content which is full of information for you who also always deal with world and also have to make decision every minute. That book reveal it info accurately using great plan word or we can claim no rambling sentences in it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with attractive delivering sentences. Having A New History of India in your hand like getting the world in your arm, details in it is not ridiculous one particular. We can say that no reserve that offer you world throughout ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. active do you still doubt this?
