Dreamland By Robert L. Anderson

From immensely talented debut author Robert L. Anderson comes a stunning, complex, and imaginative story about the fine line between dreams and reality that will appeal to fans of Maggie Stiefvater's *The Raven Cycle*.

Odea Donahue has been able to travel through people's dreams since she was six years old. Her mother taught her the three rules of walking: *Never interfere. Never be seen. Never walk the same person's dream more than once.* Dea has never broken the rules.

Then a mysterious new boy, Connor, comes to town. For the first time in her life, Dea feels normal. But both Dea and Connor have secrets, and as she is increasingly drawn to Connor's dreams—and nightmares—the boundary between worlds begins to deteriorate, putting everyone she loves in danger.

Editorial Review

From School Library Journal

Gr 8 Up—This imaginative debut is a cross between Cassandra Clare's *City of Bones* (S. & S., 2007) and Christopher Nolan's film *Inception*. Dea Donahue walks through people's dreams by using the dreamers' possessions and feeds off the energy. But she is never to interfere in the dream and never to make her presence known. Having such a unique gift has made it difficult for Dea to grow close to people, and it doesn't help that her single mother ups and moves them at a moment's notice. But in rural Indiana, she has made friends with awkward Gollum and enigmatic Connor, who recently moved to town from Chicago. He's running from a tragic past and rumors circulate that he's dangerous. When Dea starts entering Connor's dreams, she risks calling attention to herself from the faceless monsters her mother has always warned her about. Then Dea's mother goes missing, and a graduate student starts writing an exposé on Connor. But to find her mother and help Connor, Dea must traverse a world of nightmares. This page-turning thriller is filled with creepy dreamscapes that will entrance and frighten readers. Although there are some plot holes involving Connor's past and Dea's ignorance regarding her mother's behavior, these don't affect the enjoyment of the story, which revs up to a satisfying conclusion. VERDICT Recommended for those who appreciate suspense novels with unique twists.—Kimberly Garnick Giarratano, Rockaway Township Public Library, NJ

Review

“Dreamland seeped into my own dreams and made me question the line between reality and dreamscape. Original and riveting.” (Megan Shepherd, author of *The Madman's Daughter* and *The Cage*)

“Dreamland is an inventive blend of fantasy and mystery, full of nail-biting twists that draw you in and keep you guessing. Beware! Once you start this book, you won't put it down.” (Andrea Cremer, New York Times bestselling author of the *Nightshade* series)

“this complexly characterized and multidimensional novel rewards readers with a deep sense of place, an unusual world, and an entirely enjoyable romance.” (Publishers Weekly)

“Debut author Anderson weaves a compelling tale about a girl trying to find where she belongs.” (Booklist)

“This page-turning thriller is filled with creepy dreamscapes that will entrance and frighten readers. Recommended for those who appreciate suspense novels with unique twists.” (School Library Journal)

“Anderson creates a spellbinding landscape.” (Kirkus)

“By turns romantic, fantastical, and terrifying, Dreamland will have broad genre appeal and will be easy to booktalk.” (Voice of Youth Advocates (VOYA))

The dreamscapes... are at times gorgeously realized, especially when Dea traverses what turns out to be an entire kingdom of connected dreams, filled with grotesque monsters and unusual beauty. (Bulletin of the Center for Children's Books)

From the Back Cover

Odea Donahue has been able to travel through people's dreams since she was six years old. Her mother

taught her the three rules of walking:

Never interfere.

Never be seen.

Never walk the same person's dream more than once.

Dea has never questioned her mother, not about the rules, not about the clocks or the mirrors, not about moving from place to place to be one step ahead of the unseen monsters that Dea's mother is certain are right behind them.

Then a mysterious new boy, Connor, comes to town, and Dea finally starts to feel normal. As Connor breaks down the walls that she's had up for so long, he gets closer to learning her secret. For the first time she wonders if that's so bad. But when Dea breaks the rules, the boundary between worlds begins to deteriorate. How can she know what's real and what's not?

From talented debut author Robert L. Anderson comes a stunning, complex, and imaginative story of the fine line between our dreams and our reality.

Users Review

From reader reviews:

Marina Rutt:

Have you spare time for any day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity regarding spend your time. Any person spent their spare time to take a walk, shopping, or went to the Mall. How about open or even read a book called Dreamland? Maybe it is being best activity for you.
