## Lawyers, Guns & Money: The New Inquisition Sourcebook (Unknown Armies) By Greg Stolze, John Tynes

What do you get for the man who wants everything?

How about his own clandestine network of tricked-out magick-workers, cold-blooded psycho-killers, and that guy you knew in third grade who did trigonometry with frog's legs and always smelled like broccoli? Eccentric billionaire Alex Abel hired them, gave them new identities, and sent them into the occult underground to stir up trouble. If trouble is your middle name, The New Inquisition wants YOU!

This sourcebook by *Unknown Armies* co-creator Greg Stolze covers UA's biggest cabal like a snitch jacket: history, structure, high-tech equipment, magickal gear, sample agents, intelligence dossiers, secrets Alex Abel doesn't want you to know, and two missions that will smear your face across the walls of infinity if you aren't smarter, tougher, and weirder than the next guy. Psych up, punk, and get ready to get dangerous.

### **Editorial Review**

#### **Review**

Atlas Games' Unknown Armies just came out with another nearly perfect sourcebook... So consider this your wakeup call: Run, don't walk, to your nearest game store and pick this up. -- *Eric Brennan on rpg.net, Nov. 1, 1999*

[T]he second in a series of excellent sourcebooks for the Best RPG of 1999 (and, indeed, one of the Two Best RPGs of the Decade), Unknown Armies. ... The New Inquisition...are just like the Old Inquisition, except that they're funded by a mad billionaire with divine ambitions. They dress in raincoats and surgical masks, and they shoot rather a lot of folk rather than preaching at them in Latin. In short, they're ideal player characters, or ideal villains. It's only part of the glory of Unknown Armies that you can say that about folks like the TNI. -- *Kenneth Hite, Mania Magazine,*

### **Users Review**

#### **From reader reviews:**

##### **Derek Wire:**

This Lawyers, Guns & Money: The New Inquisition Sourcebook (Unknown Armies) are generally reliable for you who want to be considered a successful person, why.
