**Taking the Job (Taboo)** By Cheyenne McCray

Taboo series.

Software design consultant Elsie Meyers schedules an interview for a position at Bennett Consulting — but a rainstorm, a spilled purse and a chance encounter with a steaming hunk she met under very compromising circumstances a few months ago change that interview into an outright erotic fantasy.

From the moment John Bennett spots Elsie and remembers where he first met her, he knows she would make a perfect submissive. When she drops her briefcase and a flogger tumbles out, the interview takes a whole different turn, into taboo territory.

The beautiful redhead is in between Doms and John is in between subs. In a sensual encounter John finds himself offering Elsie a different position, then discovers he'd like to make that position permanent — and convince Elsie to take it.
