**Taming the Giant Corporation** By Ralph Nader, Mark J. Green, Joel Seligman

**“A book no one interested in business and public policy can afford to ignore.” ?Business Week**

Five years in the preparation, *Taming the Giant Corporation* is the culminating product of Ralph Nader’s examination of governmental and business irresponsibility. It explains in readable detail not only how our megacorporations abuse their power, but also what we?our government, our citizens?can do about it.
