Why Nations Go to War By John G. Stoessinger

Transmitting an understanding of warfare from World War I to the present, WHY NATIONS GO TO WAR, a unique book and a product of reflection by author, John G. Stoessinger, is built around ten case studies, culminating in the new wars that ushered in the twenty-first century: Iraq, Afghanistan, and the wars between Arabs and Israelis in Gaza and in Lebanon. The distinguishing feature of the book remains the author's emphasis on the pivotal role of the personalities of leaders who take their nations, or their following, across the threshold into war.

Editorial Review

Review

"Why Nations Go To War" is more than just a book. Words are transformed into living visuals about what happened in the twentieth and early twenty-first centuries and why. History and the political decisions of our time come alive on these pages, and the author's analysis serves to weave case studies together into a seamless tapestry that moves the reader from confusion to clarity. In its Tenth Edition, "Why Nations Go To War" joins the ranks of a few classic works that combine intellect with a passion that derives from life experiences ranging from the author's struggles as a refugee in World War II to the challenges of a career at the United Nations. His style is amazingly engaging. Students and readers alike will feel as if they are having a conversation with one of the best-informed academics and practitioners in the field of international relations."

About the Author

Dr. John G. Stoessinger is an internationally recognized political analyst and a prize-winning author of ten leading books on world politics. He holds a Ph.D. from Harvard and has taught at Harvard, M.I.T., Columbia and Princeton. From 1967-1974, he served as acting director of the political affairs division at the United Nations.
